Earnings and profits were calculated pursuant to the Internal Revenue Code Section 312 as modified by Internal Revenue Code Section 857(d) for a real estate investment trust and the regulations thereunder.

Part II Organizational Action *(continued)*

17 List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ► Internal Revenue Code Section 316 defines a "dividend" generally as any distribution of property made by a corporation to its shareholders out of earnings and profits (as defined by Internal Revenue Code Section 312 and the regulations thereunder). Pursuant to Internal Revenue Code Section 301(c)(2), the portion of cash distributions on common stock which is not a dividend shall be applied against and reduce the adjusted basis of the stock. Under Internal Revenue Code Section 301(c)(3), a distribution which is not a dividend, to the extent that it exceeds the shareholder's adjusted basis of the stock shall be treated as gain from the sale or exchange of property.

18 Can any resulting loss be recognized? ► No tax loss is recognized by shareholders as a result of receiving the 2020 quarterly cash distribution on common stock.

19 Provide any other information necessary to implement the adjustment, such as the reportable tax year ► This cash distribution will be reported to shareholders on their 2020 Federal Form 1099-DIV with respect to their common stock holdings in the Company. The amount of the nontaxable distribution on the date mentioned above either (1) reduces the shareholder's adjusted tax basis in the stock or (2) to the extent that it exceeds the shareholder's adjusted tax basis in the stock on the date of distribution, it is treated as a gain from the sale or exchange of property in 2020.
